

## **How hard is a PhD?**

**Thomas Britz**, Got my maths PhD through hard but fun work • [Updated February 14, 2020](#)

Would you like a brutally honest answer? If yes, then read on.

-  
Getting a PhD is here on the scale of increasing hardships:

- newborn
- preschool...

## **When someone dies in their sleep, people assume that that's the best way to die. But I'd say about 99% of the time, they feel themselves dying even in their sleep, and they struggle to breathe, and they actually die from suffocation. Is this likely?**

**Shakuntala Singh** • [Answered November 15, 2024](#)

My husband died recently next to me on the bed. Before he was injected with a injection he held my hand and kept looking at me as if want to say final goodbye. I asked him ...
